

Thomas White

Objective

My number one goal is securing a great future for my family, by creating multiple streams of income.

Summary

Currently I own and manage a lawn care company “Real Care Lawns”
I am highly motivated to work smart, and always willing to take the initiative to get the job done right.

“Adjust, Adapt and Improvise” Has always been my motto.

I have a business background, and I have always been very personable.

Skills and Accomplishments

I can do web design, maintenance, and hosting.

I also am great at creating and editing video and audio.

I also own the tools and software to do each of these skills professionally.

I have carpentry skills.
